Making the paper doll

What you will need:

- A4 Paper or card
- **Mini** paper fasteners x 12 Also known as brads or split pins. 8mm (length)
- Something to cut with: scissors, knife
- Something pointy: awl, needle, pin

1 Print page 1 on heavy paper or light card.

2 Cut around the shapes.

3 Pre pierce the joint spots with a pin /needle.

mini paper fasteners

4 Connect cut pieces via the pierced spots with the paper fasteners.

5 Have fun creating stories with your mermaid paper doll.
